INVITATION TO WORLD FESTIVAL

Dear : Organizations, federations, coaches and champions

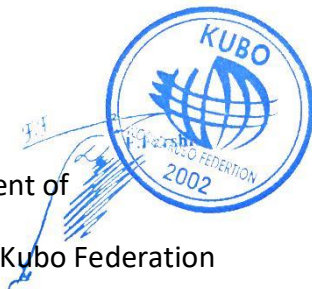

I would like to invite you to our 1th World Championship and Festival . This Championship is a very unique and historic event. First of all, 2023 is our 18th Anniversary celebration; secondly, we are planning a grand opening of our World Headquarter building.

As you know, the World Festival is not only a championship but a much more meaningful gathering. Not only meeting old friends and finding new ones, your participation demonstrates our unity and achievement together. This year we will have the grand opening of the World headquarters' building, which has been the dream of ours, and over 1000 contributors, for the past two decades. Finally our dream has become a reality. I invite you to come and celebrate together. Also, I would like to honor 18 masters who have devoted themselves to the art of Martial Arts for the past 18 years plus. It is a very special dinner and I hope you can join us .

Because of the international nature of this event and this unique opportunity for all of us to convene as one, I strongly encourage all WORLD MARTIAL ARTS members residing outside of the UAE to complete their visa preparations as early as possible. In order to make sure you have an enough time to get the visa, you should apply as early as possible.

I am eagerly looking forward to seeing each one of you there .
